There is no official pin numbering for this type of footprint!
So i had to choose a numbering at random.
So it starts with one at the pin nearest to the black dot.
Pin two is the middle pin, and pin thre the last.

Be careful and check your allocation!

OldSowjetaera_Transistor_Type−I_SmallPads_RevA

OldSowjetaera_Transistor_Type−II_SmallPads_RevA

OldSowjetaera_Transistor_Type−I_BigPads_RevA

OldSowjetaera_Transistor_Type−II_BigPads_RevA

1:1 Print! Check dimension by controlling the gauge!
